5 pm – 6 pm	Cocktail CNseg & ANFAVEA
<p>NOVEMBER 12</p> <p><i>Location: E32 - Green Zone, Baku Stadium</i></p>	
9:30 am – 11 am	<p>OFFICIAL OPENING OF THE NATIONAL CONFEDERATION OF INDUSTRY STAND</p> <p>Ricardo Alban, President of the National Confederation of Industry (CNI) Rashad Novruz, Ambassador of the Republic of Azerbaijan to Brazil Senator Veneziano Vital do Rêgo, Vice-President of the Brazilian Federal Senate Helder Barbalho, Governor of the State of Pará (tbc) Minister Vital do Rêgo Filho, Vice-President of the Federal Court of Accounts Décio Lima, President of Sebrae</p>
11 am – 12 pm	<p>CNI PANEL SUSTAINABLE LEGACY: AMAZON INDUSTRY AT COP30</p> <p>Objective(s): Show how the Amazon region is preparing to host COP 30, and the industry initiatives in the region to promote sustainability and mitigate environmental impact.</p> <p>Moderation: Marcelo Thomé, President of FIERO and the Amazonia +21 Institute, and Vice-President of CNI</p> <p>Panelist(s):</p>

	<p>Rodolpho Zahluth Bastos, deputy Secretary of Environment of the State of Pará</p> <p>Sílvio Cezar Pereira Rangel, President of the Federation of Industries of Mato Grosso</p> <p>Ana Carolina Alves, Institutional Relations Manager, Vale.</p> <p>João Teixeira, Climate Transition Manager, Natura</p>
<p>12 pm – 01 pm</p>	<p>CNI PANEL ENERGY TRANSITION AND THE STRENGTHENING OF GLOBAL SUPPLY CHAINS</p> <p>Objective: Explore Brazil's role in wind energy generation for green hydrogen production and its synergy with Baku Port's potential as a logistics hub for exports, contributing to the energy transition and the strengthening of global supply chains.</p> <p>Symbolic Signing of the MoU between CNI and ABEEólica</p> <p>Elbia Gannoum, President of ABEEólica Roberto Muniz, Director of Institutional Relations, CNI</p> <p>Objective of the MoU: Establish a joint institutional agenda focusing on Brazil WindPower 2024 and the United Nations Conference on Climate Change - COP 29 and 30.</p> <p>Moderation : Roberto Muniz, Director of Institutional Relations, CNI</p> <p>Panelist(s): Elbia Gannoum, President of ABEEólica Ben Backwell, CEO of GWEC Eugene Seah, Operations Director of the Port of Baku Maria João Rolim, Coordinator of the Energy Transition Council at ABDIB</p>

<p>01 pm – 2 pm</p>	<p>CNT PANEL FLEET RENEWAL: BENEFITS AND CHALLENGES</p> <p>Objective(s): Discuss the importance of renewing the heavy vehicle fleet to advance decarbonization in Brazil’s transportation sector.</p> <p>Moderation: Ricardo Cappelli, President of ABDI</p> <p>Panelist(s): Vander Costa, President of the Transport System Gustavo Bonini, First Vice President of ANFAVEA and Institutional Director of Scania Latin America Daniel Bertolini, Director of Transportes Bertolini Leonardo Botelho, Senior Advisor at the International Department, BNDES</p>
<p>2 pm – 3 pm</p>	<p>PETROBRAS PANEL THE ROLE OF DECARBONIZATION IN THE O&G INDUSTRY FOR GLOBAL EMISSION REDUCTION</p> <p>Objective(s): Discuss key examples and practices in decarbonization that can be disseminated throughout the industry. Where are the main levers for decarbonization? We note a great effort from the oil and gas sector to reduce their methane emissions. Why is methane a priority and how are companies significantly reducing methane emissions? How can international and Brazilian institutions help by coordinating efforts and what to expect for COP 30?</p> <p>Moderation: Eric Cabral, Climate Positioning Manager at Petrobras</p> <p>Panelist(s): Pietro Mezzano, Oil and Gas Decarbonization Charter Fernanda Diniz, Decarbonization and Operations Manager, Petrobras Roberto Ardenghy, President of IBP</p>
<p>5 pm – 6 pm</p>	<p>AMBEV PANEL ENERGY TRANSITION AND CORPORATE SUSTAINABILITY: PATHWAYS TO A LOW-CARBON INDUSTRY</p> <p>Objective(s): <i>Discuss how the industry can manage energy transition through sustainable practices, technological innovation, and responsible</i></p>

	<p><i>governance, addressing regulatory, social, and environmental challenges of this process</i></p> <p>Moderation: Danilo Maeda, ESG Director at Grupo FSB and Head of Beon ESG Strategies.</p> <p>Panelist(s):</p> <p>Carla Crippa, Vice-President of Corporate Relations, AMBEV</p> <p>Flávia Teixeira, Environment, CSR, and Energy Transition Manager, Engie</p> <p>Antônio Augusto Reis, ESG Partner, Mattos Filho</p>
<p>NOVEMBER 13th</p> <p><i>Location: E32 - Green Zone, Baku Stadium</i></p>	
<p>10 am – 11 am</p>	<p>VALE PANEL – THE ROLE OF INDUSTRY IN THE GREEN TRANSITION: ADVANCES IN GREEN HYDROGEN</p> <p>Objective(s): Discuss the vital role of hard-to-abate industries in decarbonization, using Vale’s collaboration with the Green Energy Park as a case study in advancing green hydrogen technologies and establishing a low-carbon steel mega hub in Brazil.</p> <p>Moderator: Lisa Sachs, Director at the Columbia Center on Sustainable Investment</p> <p>Panelists:</p> <p>Davi Bomtempo, Superintendent of Environment and Sustainability, CNI</p> <p>Ludmila Nascimento, Director of Energy and Decarbonization, Vale</p> <p>Bart Biebyck, CEO of Green Energy park</p>
<p>11 am – 12 pm</p>	<p>Cnseg PANEL THE ROLE OF THE INSURANCE SECTOR ON ENERGY TRANSITION: FROM BAKU TO BELÉM</p>

	<p>Objective: Identify the multiple roles of insurance – from risk assessment to indemnity coverage, to adaptation strategy – in the protection of people, companies, and governments.</p> <p>Moderador: Dyogo Oliveira, President of CNseg</p> <p>Panelist(s):</p> <p>Butch Bacani, Head of Insurance, UNEP-FI</p> <p>Davi Bomtempo, Superintendent of Environment and Sustainability, CNI</p> <p>Maria Netto, CEO of the Institute for Climate and Society (iCS)</p> <p>Arnaldo Jardim, Federal Deputy and President of the Competitive Brazil Parliamentary Front – tbc</p>
<p>12 pm – 01 pm</p>	<p>PETROBRAS PANEL CARBON MARKET AND REFORESTATION IN BRAZIL – PATHWAY TO 2030</p> <p>Objective(s): Explore the opportunities and challenges of preservation and restoration projects in Brazil, highlighting their potential within the context of the Brazilian Climate Plane (Plano Clima) and Brazil's NDCs. We will discuss how various actions, such as the recovery of degraded pastures and ecological restoration, can meet the needs of local communities while considering the impacts of both legal and illegal deforestation. The panel will focus on market mechanisms, such as preservation carbon credits (REDD+), and contributions from the private sector and national development banks, enriching the discussion on how Brazil can lead the preservation and reforestation agenda.</p> <p>Moderation: Glenda Bezerra Lustosa, Manager of Institutional Relations with North America and Europe, Petrobras</p> <p>Panelist(s):</p> <p>Raoni Rajão, director of the Deforestation and Burning Control Policies Department, Ministry of Environment and Climate Change</p> <p>Frederico Machado, Manager of Land Use, Food Systems, Restoration and Bioeconomy at the Institute for Climate and Society</p> <p>Nabil Kadri, Deputy Managing Director, BNDES</p>
<p>01 pm – 2 pm</p>	<p>ANFAVEA PANEL LIGHT VEHICLE DECARBONIZATION</p>

	<p>Objective: Address the context, challenges, and pathways to decarbonization for light passenger vehicles in Brazil.</p> <p>Moderation: Igor Calvet, Executive Director, National Association of Automobile Manufactures of Brazil</p> <p>Panelists:</p> <p>Henry Joseph Jr, Sustainability Director, National Association of Automobile Manufacturers of Brazil</p> <p>Fabio Rua, Vice President of Government Relations, Communications, and ESG, General Motors South America</p> <p>João Irineu, VP of Regulatory Affairs, Stellantis South America</p>
<p>2 pm – 3 pm</p>	<p>SYNGENTA PANEL HOW CAN WE ENHANCE AND SCALE UP THE SUSTAINABLE USE OF LAND FOR AGRICULTURE?</p> <p>Objective: Debate how public and private projects can promote agricultural production and transform degraded land into viable soil for sustainable agricultural use.</p> <p>Moderation: Roberto Azevedo, President of the International Initiative for Brazilian Agriculture and Consultant at ABAG.</p> <p>Panelists:</p> <p>Grazielle Parenti, Vice-President of Sustainability and Corporate Affairs & Value Chain</p> <p>Sidney Medeiros, Coordinator of Climate Change and Sustainable Development, Department of Sustainable Production, Irrigation, and Cooperativism, Itaú</p>
<p>3 pm – 4 pm</p>	<p>SEBRAE PANEL BRAZIL TOWARDS COP30: BIOECONOMY FOR A SUSTAINABLE FUTURE</p> <p>Objective(s): Showcase Pará's preparation for COP 30, exploring the role of public policies and bioeconomy in promoting sustainable and high value-added businesses.</p>

	<p>Moderation: Rubens Magno, Superintendent Director, SEBRAE/PA</p> <p>Panelist(s):</p> <p>Hana Ghassan, Vice-Governor of the State of Pará</p> <p>Raul Protázio Romão, Pará State Secretary for Environment and Sustainability</p> <p>Renato Soares Peres Ferreira, Special Advisor to the Ministry of Entrepreneurship, Microenterprise, and Small Business</p> <p>Igor Normando, Mayor-Elect of Belém, the host city of COP30</p>
<p>4 pm – 5 pm</p>	<p>ANFAVEA PANEL HEAVY VEHICLE DECARBONIZATION</p> <p>Objective(s): Discuss the context, challenges, and pathways to decarbonization for heavy vehicles in Brazil.</p> <p>Moderation: Igor Calvet, Executive Director, National Association of Automobile Manufacturers of Brazil.</p> <p>Panelist(s):</p> <p>Henry Joseph Jr, Sustainability Director, National Association of Automobile Manufacturers of Brazil</p> <p>Gustavo Bonini, Institutional Officer, Scania Latin America</p> <p>Priscilla Rocha, Sustainability Manager, Volkswagen Truck & Bus Brazil</p> <p>Arnaldo Jardim, Federal Deputy and President of the Competitive Brazil Parliamentary Front</p>
<p>5 pm – 6 pm</p>	<p>PETROBRAS PANEL KEY ACTIONS OF THE OIL AND GAS INDUSTRY FOR CLIMATE CHANGE ADAPTATION</p> <p>Objective(s): Explore collaborative strategies for climate adaptation in the oil and gas sector, with a focus on international practices, national innovations, and integrated approaches.</p> <p>Moderation: Rafaela Aloise de Freitas, Policies and Industry Analyst, CNI</p>

	<p>Panelist(s):</p> <p>Lorena Perez Bajo, Climate Change Manager, IPIECA</p> <p>Eric Cabral, Climate Change Manager, Petrobras</p> <p>Jean Ometto, Vice-Coordinator, Rede Clima – IPIECA</p>
<p>NOVEMBER 14</p> <p>Business Dialogue for a Low-Carbon Economy</p> <p><i>Location: JW Marriott Absheron Hotel</i></p>	
<p>NOVEMBER 15</p> <p><i>Location: E32 - Green Zone, Baku Stadium</i></p>	
<p>10 am – 11 am</p>	<p>SEBRAE PANEL RENEWABLE ENERGY SOURCES FOR SMALL ENTREPRENEURS AROUND THE WORLD</p> <p>Objective(s): Discuss expanding competitiveness and new business opportunities for small businesses in the photovoltaic solar sector</p> <p>Moderation: Rodrigo Sauaia, Executive-President of ABSOLAR</p> <p>Panelist(s):</p> <p>Sonia Dunlop, CEO of GSC (Global Solar Council)</p> <p>John Grimes, CEO of Smart Energy Council</p>
<p>11 am – 12 pm</p>	<p>SEBRAE PANEL SUSTAINABILITY AND ESG TRENDS IN FASHION SHAPING THE FUTURE OF THE APPAREL INDUSTRY</p> <p>Objective(s): Showcase ESG trends in fashion with an emphasis on waste reduction and resource efficiency.</p> <p>Moderation: André Schelini – Technical Director of Sebrae MT</p> <p>Panelist(s): Eduardo Ferlauto, Executive-Director, Lojas Renner Institute</p>
<p>12 pm – 01 pm</p>	<p>IBP PANEL NG, BIOFUELS, AND SAF: BRAZIL’S GLOBAL LEADERSHIP IN ENERGY TRANSITION AND RENEWABLE ENERGY</p> <p>Objective(s): Present Brazil’s just energy transition to government and business leaders at COP 29, with a focus on decarbonizing hard-to-abate industries via natural gas, and Brazil’s biofuels and SAF production potential for both domestic and international markets, with a focus on emission reduction efforts in the air and maritime transport sectors, through our port logistics targeting major consumer markets.</p>

	<p>Moderation: Roberto Furian Ardenghy, CEO of IBP</p> <p>Panelist(s):</p> <p>Anderson Baranov, CEO of Norsk Hydro Brazil</p> <p>Eric Cabral, Strategic Planning Manager, Petrobras</p> <p>Maria João Rolim, Energy Transition Council Coordinator, ABDIB</p>
<p>01 pm – 2 pm</p>	<p>UK Pact PANEL ACTIONS AND OPPORTUNITIES FOR INDUSTRIAL DECARBONIZATION IN BRAZIL: POSSIBLE QUICK WINS BY COP30</p> <p>Objective(s): In this event, MDIC, CNI and the UK government join forces to:</p> <p>a) raise awareness about what the government and the Brazilian industrial sector are already doing to enable a low-carbon economy; b) reflect on the main challenges of this process; and, c) draw the international community's attention to opportunities and quick wins that the process of decarbonizing the Brazilian economy offers on the way to COP30.</p> <p>Initial speakers:</p> <ul style="list-style-type: none"> • Ed Webber, Director of Financing and Sectorial Transitions, Energy Security and Net Zero Department <p>Moderation: Elizabetta Albernaz, Energy and Decarbonization Manager, UK Embassy</p> <p>Panelist(s):</p> <p>Rodrigo Rollemberg, Secretary of Green Economy and Decarbonization, MDIC</p> <p>Davi Bomtempo, Superintendent of Environment and Sustainability, CNI</p> <p>Maria Netto, Exeutive-Director, Ics</p> <p>Rosana Santos, Executive-Director, E+ Energy Transition Institute</p> <p>Luisa Valentim, Head of Business Development, WayCarbon</p>
<p>2:30 pm – 5:30 pm</p>	<p>ABDI PANEL BIOECONOMY AND DEVELOPMENT IN THE AMAZON</p> <p>Objective(s): Demonstrate how bioeconomy can be the link between the preservation of biodiversity and sustainable industrialization in the Amazon Rainforest. Explore how the city of Manaus' Industrial Estate</p>

	<p>can be used to exploit the region's bioeconomic opportunities. Identify public policies and best practices to encourage the bioeconomy in the Amazon region, including the use of biotechnology and respect for traditional knowledge.</p> <p>Moderation: Neide Freitas, Special Advisor, Project Leader ABDI</p> <p>Panelist(s):</p> <p>Tanara Lauschner, Undersecretary of Science and Technology for the Amazon, MCTI</p> <p>Márcio de Miranda dos Santos, General Director, Amazon Bio-business Center (CBA)</p> <p>Marcelo Thomé, Executive Director, Amazônia+21 Institute</p> <p>Gabriela Savian, Amazon Environmental Research Institute (IPAM)</p> <p>Vanessa Grazziotin, Director da OTCA</p>
<p>05:30 pm – 06:30 pm</p>	<p>ABDI PANEL LAUNCH OF THE RECIRCULA BRASIL PLATFORM + COCKTAIL</p> <p>Objective(s): Present the platform's structure, features, and objectives, highlighting its role in promoting the circular economy in industry. Show the innovative technology and process that will be integrated into the platform to enable traceability and promote the reuse of materials in industry. Encourage the participation of companies from the various production chains, demonstrating the economic opportunities and the regulatory and environmental benefits of joining the platform.</p> <p>Moderation: Perpétua Almeida - Director of Sustainable Economy and Industrialization, Brazilian Agency for Industrial Development (ABDI)</p> <p>Panelist(s):</p> <p>Carina Vitral Costa, Advisor to the Undersecretary of Economic and Fiscal Affairs of the Executive Secretariat, Ministry of Finance</p> <p>Janaina Donas - President of the Brazilian Aluminum Association (ABAL)</p>

	<p>Fernando Bernardes, CEO of the Custody Center</p> <p>Camila Zelezoglo - Sustainability and Innovation Coordinator, Brazilian Textile and Apparel Industry Association (ABIT)</p> <p>Rodrigo Rollemberg, Secretary of Green Economy, Decarbonization and Bioindustry – MDIC</p> <p>Thiago Pietrobon - Director of Sustainability, Brazilian Association of Refrigeration, Air Conditioning, Ventilation, and Heating (ABRAVA)</p> <p>Davi Bomtempo, Superintendent of Environment and Sustainability at CNI</p>
<p>NOVEMBER 16</p> <p>Location: E32 - Green Zone, Baku Stadium</p>	
<p>10 am – 11 am</p>	<p>SYNGENTA PANEL SUSTAINABLE AGRICULTURAL PRODUCTION AND THE GLOBAL MARKET: THE IMPACT OF DIFFERENT CLIMATE TYPES ON LOCAL REGULATIONS</p> <p>Objective(s): <i>Debate how varying climate types affect agricultural production in different ways and how governments can develop region-specific regulations that address distinct climatic and agronomic conditions.</i></p> <p>Moderation: Grazielle Parenti, Vice-President of Sustainability and Corporate Affairs & Value Chain, Syngenta</p> <p>Panelist(s):</p> <p>Silvia Massruhá, President of Embrapa</p> <p>Nelson Ananias, Sustainability Coordinator, CNA</p> <p>Eduardo Leão, President of Croplife Brasil</p>
<p>11:30 am – 1 pm</p>	<p>CNI & BIZMEF PANEL BUSINESS LEADERSHIP FOR NEXT NDCs – INVESTMENT, INNOVATION & IMPLEMENTATION</p> <p>Objective(s): <i>This panel will feature the participation of expert representatives from governments, the academic sector, international organizations, and the private sector, to demonstrate and discuss best practices, obstacles to implementation, and what COP29 needs to address for everyone to advance further and faster.</i></p>
