

# **WORKSHOP: “HOW THE ECO-INDUSTRIAL PARK APPROACHES IMPLEMENT CIRCULAR ECONOMY”**

May 16, 2025 | CNI São Paulo | Co-organizers: UNIDO, CNI and FIESP

## **PROGRAMME**

**9:00 – 09:10**

---

### **WELCOMING AND OPENING REMARKS**

**09:10 – 09:30**

---

### **UNDERSTANDING ECO-INDUSTRIAL PARKS (EIP)**

- An overview of the Global Eco-Industrial Park Programme and How Circular Economy Practices are implemented.
- Presentation on the concept of EIPs: definition, methodology, benefits, and global examples

**09:30 – 10:00**

---

### **INTRODUCTION OF THE EIP CONCEPT PLANNING AND THE UNIDO EIP CONCEPT PLANNING TOOL**

- Introduction of the EIP Concept Planning and the UNIDO EIP Concept Planning Tool
- Introduction of the scenario and material for the small group activity applying EIP concept planning learning for adopting circular economy practices in industrial parks

**10:00 – 11:00**

---

### **INTERACTIVE GROUP ACTIVITY**

- Training on tools: Application of EIP Concept Planning Tool
- Participants will break into small groups (6-8 groups), and work through a hypothetical industrial park planning scenario

**11:00 – 11:20**

---

### **GROUP REPORTING**

- Participants will discuss what they have achieved during the workshop session.
- The moderator will interact with the presenter and later explain how it is implemented in the real EIP setting.

**11:20 – 11:30**

---

### **SUMMARY AND CONCLUSION**

**11h30 – 12:00**

---

### **SUMMARY AND CONCLUSION**
