INSTITUTO
Amazônia+21

About us

WE'RE a civil society made by the initiative of Brazilian Amazon businessman,
AIDED BY CNI - Brazilian National Confederation of Industry and the nine confederations of industry from the Legal Amazon states,
TO PROMOTE and strengthen businesses in the area and contribute to its sustainable economic development.

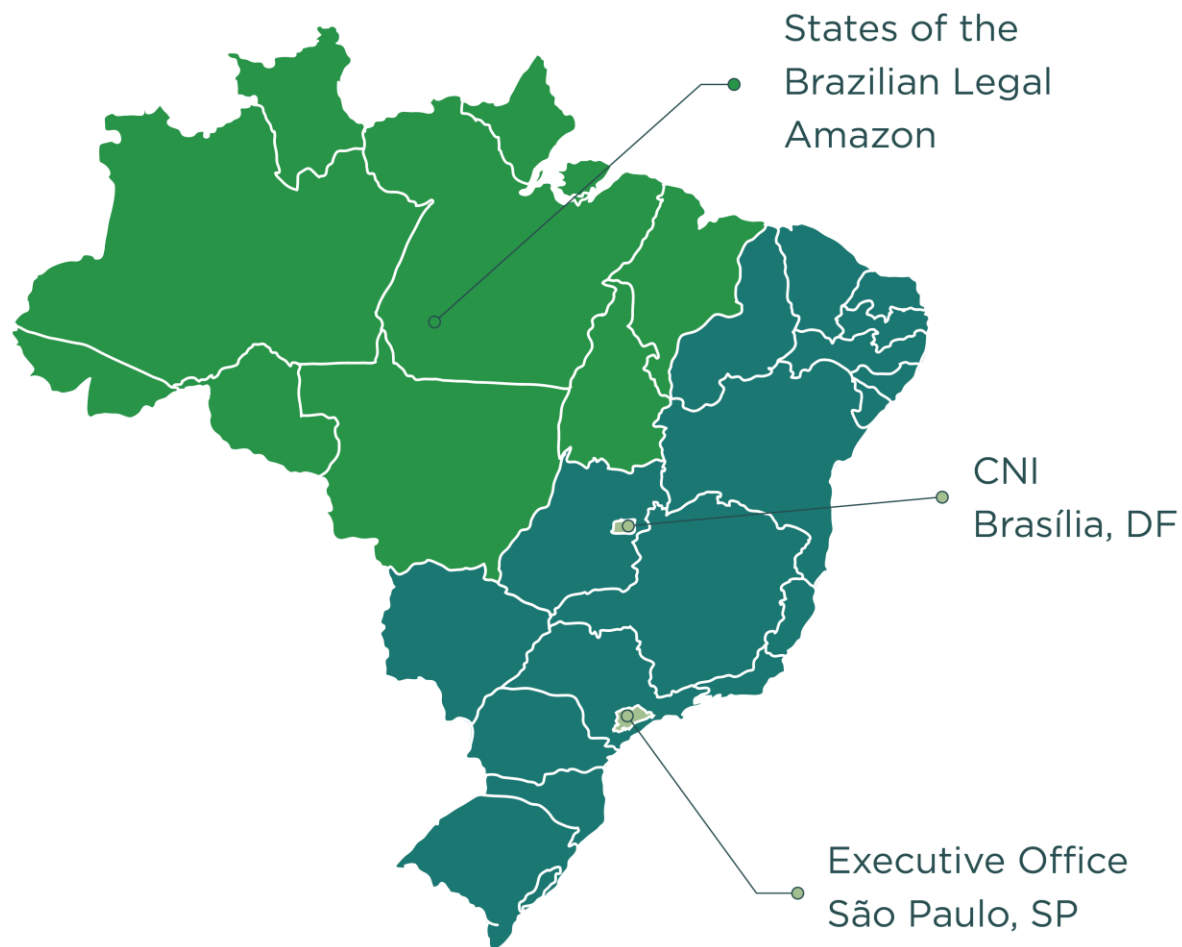

Our Mission

Our mission is to support the creation of sustainable and innovative businesses in the Amazon, as well as to strengthen existing businesses and those who come to settle in the region, in dialogue with local demands, the region's economic potential and the ESG agenda.

Our Differential

- Business Movement
- Experience In The Region
- Mobilization Capacity
- Capilarity
- ESG/ODS Focus
